

International Journal of Educational Studies in Social Sciences (IJESSS) is a multidisciplinary open access journal publishing high quality peer-reviewed articles across the breadth of educational research in social sciences. The journal takes an objective and constructive approach to peer-review, ensuring each manuscript is well evaluated on its own scholarly merits and research integrity. The journal considers research articles and literature reviews in the areas of curriculum and instructions, education policy, educational assessment and evaluation, educational leadership and management, ICT in education, social and humanities education, early childhood education, primary education, secondary education, and teacher professional development.
